Peter Kohler Windows & Entrance Systems becomes Kohltech

Debert, NS – April 5, 2018 – *Kohltech Windows & Entrance Systems*, which has operated as Peter Kohler Windows & Entrance Systems in Atlantic Canada and Kohltech across the rest of Canada and the USA, has transitioned to the Kohltech brand across all markets.

“The Kohltech name is a hybrid of Kohler and Technology and was designed to keep a component of the brand name and capture the passion for continuous improvement and technology,” says Kevin Pelley, President of Kohltech. “Kohltech is excited to trade under one brand internationally with the promise of one word: Outstanding. Outstanding is the heart and soul of the Kohltech brand and what homeowners, renovators, contractors, architects and builders think when they see the Kohltech name.

In this year of brand transition also comes recognition for business performance and growth with the prestigious Canada’s Best Managed Companies designation. Best Managed program award winners are amongst the best-in-class of Canadian owned and managed companies with revenues over \$15 million demonstrating strategy, capability and commitment to achieve sustainable growth.

The growth and success of Kohltech continues to be driven by a culture of service and product engineering the company was founded on. Customer loyalty and word of mouth have propelled the company from being a regional brand to becoming a top national brand with over 400 employees in the last few years.

“It’s much more than just financial performance,” said Mat Harris, Atlantic Managing Partner, Deloitte, Co-Leader of Canada’s Best Managed Companies program. “The ingredients to success also include overall business performance and sustained growth. It takes dedication and commitment from the entire organization.”
